September 09, 2020

BLIS SAT testing center is open for September 26 and October 3 administration. In case of a cancellation due to Turkish Ministry of Education decision, an information note will be posted on www.blisankarsa.org immediately. Please check the BLIS web site on a regular basis for possible cancellation.

On September 26 and October 3, all test takers must wear a face mask during the exam. Test takers without a face mask will not be allowed in the testing center.

BLIS test center entrance will be through Bilkent University East campus security gate number 2. Vehicles and parents will not be allowed in Bilkent University and BLIS. Test takers’ body temperature will be checked at BLIS entrance. Any test taker measured 38 degree Celsius or above will be dismissed from BLIS entrance.

Please read the survey below. If you will not agree to those terms and conditions, you should not take the exam. If you still try to enter the test center, BLIS staff will not check you in and will send you home due to sickness.

1. In the past 14 days, you have not come into close contact (within 6 feet) with someone who has a positive Covid-19 test or is presumed to have Covid-19.

2. You do not have Covid-19 or reason to believe you have Covid-19. Symptoms of Covid-19 include cough, fever, chills, and muscle pain, shortness of breath or difficulty breathing, sore throat, new loss of taste or smell.

3. To your knowledge, you are not violating any travel restrictions or quarantining requirements.

4. You agree to wear a mask the entire time you’re at this test site and follow instructions from testing staff.

5. We have taken measures to help create a safe testing environment; however, it isn’t possible to entirely remove the risk of Covid-19 exposure. By entering the testing room you’re accepting that risk.
This fall only, students are permitted to use government-issued IDs, including passports that expired in the past 12 months or a School Year 2018-2019 school ID to gain entry through December 2020.

It is standard policy to allow a school ID from the prior school year (SY19-20) for testing through the following December. Recently expired IDs are the only exception, and staff must still be able to confidently identify the student from the photo ID.
